

The Medico-Legal Society of Queensland

june dinner

GUEST SPEAKER **Dr Michael Beem**

On 30 December 2004, before getting ready for work, Dr Michael Beem took his children for a quick swim at the Burleigh Heads patrolled beach. Michael remembers very little of the catastrophic accident he endured while body surfing. He wasn't dumped by a massive wave. He simply collided with another swimmer and broke his neck – C2 vertebrae. Michael lost consciousness; nor could he breath or talk. At 50 years of age, Michael's life had changed forever.

Now totally and permanently disabled, a quadraplegic and ventilator-dependent, Michael will relate his experiences of extracting himself from his business, an established anaesthetic practice. Michael will also reflect on his experiences dealing with his insurers, and compare various injury compensation systems.

As proceeds from the June Dinner will be donated to WANTZ, your support for this unique and special occasion is keenly sought.

WANTZ is an established Brisbane charity which this year is supporting the Spinal Injuries Association to set up its first equipment bank. Equipment can be borrowed by people with spinal injuries anywhere in Queensland, returned when no longer required and therefore available for re-lending. I recommend you view the WANTZ website: www.wantzcommittee.com

I look forward to seeing you on 25 June.

Sincerely,

Dr Terry Coyne, MLSQ President
